Ralph, I ... don't know. I have been thinking about you so much lately, scents of Drakkar.... I don't know what I believe anymore. Will I ever somehow be with you again? All I know is that I miss you. It's all I know. But I know it well. All too well.

Ralph, I still think of all the good times we had back in Evanston, and when you came here to visit. Each July 5 I look for you...among the countless thoughts and memories of each day. Peace! O

My dear Ralph. It would seem that only now can I go back and remember. Too many tears. I hope you haven't forgotten me in my absence. Enjoy the new page. Love Always.
